

Tech

“Let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.” – Matt. 5:16

Tech Mission

To provide the opportunity for kids to be servant-leaders in their classroom by encouraging and teaching students to grow in their confidence and abilities to serve their peers by providing a atmosphere conducive to worship and learning through lights, audio, and media.

Tech Method

To train young leaders to wholeheartedly serve Jesus and others! With adult oversight and supervision, we encourage and teach the Tech team to utilize technology to enhance the worship experience for their peers. Within the Tech team, students have the opportunity to learn three different technologies: Audio, Lights & Media. The majority of the Tech team “hands-on” instruction will take place during church services. We will also be training these young volunteers in spiritual growth, personal devotion, humility, integrity, diligence, excellence and faithful servant-leadership. We wish to provide the opportunity for the Tech team members to have a sense of purpose and ownership within the classroom.

weSERVE Discipline Policy:

We take ministry very seriously; therefore we expect timely, consistent and godly behavior of all servant leaders:

****ON TIME AND PREPARED:** If team member arrives late, or unprepared, the director may not allow the child to participate that day. If the student arrives late and/or unprepared on a regular basis, they may be suspended from the team.

****ABSENCE:** Unexcused absences negatively affect the success of the team and the classroom experience for other children. Continuous unexcused absences may result in suspension from the team.

****DISRESPECT AND DISRUPTIONS:** will not be tolerated. 1st offense: Child receives warning from an adult leader. 2nd offense: Child will be suspended from serving that week. 3rd offense: Child may be suspended from the team.

****SUSPENSION:** If student is suspended for any of the above reasons, their suspension will continue until the 6 month cycle of weSERVE ends. At the start of the next cycle, they can reapply for a weSERVE team and the application will be evaluated by the weSERVE Directors.
